PTX-17

C.A. No. 21-3354 (BAH)

Page 2

1 STEPHANIE HAMILL: Hello, everyone.  
2 I'm Stephanie Hamill. Welcome to "In Focus".  
3 There are mounting fears over a repeat of  
4 politically motivated violence on Inauguration  
5 Day. But if you think that video clip involves  
6 pro-Trump protestors, you're mistaken.

7 That clip was from Inauguration Day in  
8 2017. Radical Leftists were upset over President  
9 Trump's victory, and took to the streets of our  
10 nation's Capitol, smashing windows and destroying  
11 property.

12 I was in Washington DC at the time, and  
13 I attended the inauguration. I remember the  
14 chaos in the streets. You may also remember the  
15 video of protestors destroying businesses and the  
16 stunning video of thugs vandalizing a limousine  
17 before setting it on fire.

18 And agitators screaming at Trump  
19 supporters and getting in their faces. I also  
20 recall getting yelled at by protestors in the  
21 evening, when we were walking to the Inaugural  
22 Ball. It was terrifying.

23 The anti-Trumbers told us we were Nazis  
24 and didn't deserve to walk on the sidewalk,  
25 simply because we didn't support the preferred

Page 3

1 candidate. They wanted us to walk in the dirt.  
2 They shouted, "Nazis deserve to walk in the  
3 dirt."

4 Keep in mind, we were all dressed up  
5 for the Inaugural Ball, women in their gowns,  
6 heels and all. They antagonized elderly people,  
7 throwing water and water bottles at them. And it  
8 could've gotten a lot worse, if security wasn't  
9 there.

10 It really was pretty shocking, and I'll  
11 never forget it. Meantime, law enforcement is  
12 preparing for another possibly chaotic  
13 Inauguration Day.

14 NEWSMAN: Law enforcement officials  
15 across the country prepared for potentially  
16 violent protests by Trump supporters on Sunday  
17 ahead of President elect Joe Biden's inauguration  
18 later this week.

19 Security officials identified Sunday as  
20 the first possible major flashpoint, as that is  
21 when the anti-government Boogaloo Movement made  
22 plans to hold rallies in all 50 states. Capitols  
23 in battleground states where Trump has directed  
24 his baseless claims of voter fraud were on  
25 especially high alert, including Michigan, where

Page 4

1 a small group of armed protestors gathered  
2 outside the state's Capitol in Lansing.

3 More than a dozen states have activated  
4 National Guard Troops to help secure their  
5 Capitol buildings, following an FBI warning of  
6 the potential for future violence leading up to  
7 the Inauguration on Wednesday.

8 STEPHANIE HAMILL: As Senator Lindsey  
9 Graham is reaching out to Senate Minority Leader  
10 Chuck Schumer in an effort to begin the healing  
11 process. Graham is encouraging Schumer to hold a  
12 vote on canceling the impeachment trial for the  
13 good of the country. It's not a bad idea.

14 Joining me now, former New York City  
15 Mayor and attorney for President Donald Trump,  
16 Rudy Giuliani. Mayor, thank you so much for  
17 joining me. There is so much to reflect on, and  
18 it's been a while since we've had you on. So  
19 I'll let you kind of recap some of your thoughts  
20 and emotions over --

21 RUDY GIULIANI: Sure.

22 STEPHANIE HAMILL: -- the past two  
23 weeks.

24 RUDY GIULIANI: Well, I mean, it's been  
25 a very, very difficult one because once again,

Page 5

1 the fraudulent media has created a narrative that  
2 is completely fake, accusing the President,  
3 again, of doing things wrong that he didn't do.

4 There is absolutely no doubt that that  
5 riot that took place in the Capitol had nothing  
6 to do with the rally that the President had. I  
7 mean, the President's rally was peaceful. No one  
8 got excited. No one got upset. No one got  
9 incited.

10 No one ran from the rally to cause  
11 trouble. In fact, the riot began before the  
12 speech was even over. And it was largely very  
13 different people in which Antifa played a major  
14 organizing role, which the media refuses to write  
15 about.

16 In fact, one of the major organizers, a  
17 gentleman by the name of John Sullivan was  
18 arrested by the FBI, but not identified as part  
19 of Antifa. It is his second arrest in three  
20 months for creating a riot in which a person  
21 died, where he was present when the death took  
22 place.

23 He's also all over the internet, in  
24 particular Twitter, with calls for people to come  
25 to the Capitol in order to disrupt the Trump

Page 6

1 speech. That again, isn't reported anywhere,  
2 although it's all over Twitter. And it was never  
3 taken down from Twitter, even though it was clear  
4 invocations of violence, and even threats on the  
5 President's life, which nobody did anything  
6 about.

7 So the double standard here, Stephanie,  
8 is disgusting and it's dangerous. And what  
9 they're trying to -- the impeachment was totally  
10 fraudulent. They called no witnesses. How can  
11 you have an impeachment without a witness?

12 They couldn't even prove that there was  
13 a single person that went from the rally to the  
14 riot.

15 STEPHANIE HAMILL: Yeah.

16 RUDY GIULIANI: And when asked to do  
17 it, there was a more -- there was a minute of  
18 silence. The riot was created by Antifa and  
19 several white extremist groups, one of which is  
20 antagonistic to the President. It was created  
21 exactly to get the media to blame the President  
22 for something he didn't do.

23 STEPHANIE HAMILL: Yeah.

24 RUDY GIULIANI: He had nothing to do  
25 with that, and his words were words that were

Page 7

1 very commonly used. If the Trump people were  
2 going to riot, they would've rioted the day after  
3 the election and the day after that and the day  
4 after that, when Washington DC was boarded up and  
5 ready for the Antifa people to rip it apart.

6 STEPHANIE HAMILL: Yeah.

7 RUDY GIULIANI: Some people don't riot  
8 like that.

9 STEPHANIE HAMILL: Exactly.

10 RUDY GIULIANI: Those -- that was --  
11 you see those people scaling the walls? That's  
12 Antifa. They're trained to scale walls. Trump  
13 people aren't trained to scale walls. You see  
14 the axes and the hammers and the bats and ramming  
15 things?

16 I have a training film on my podcast  
17 that the media doesn't pay attention to, where  
18 Sullivan is training them how to do that. So  
19 this is another one of the Democratic hoaxes,  
20 Democratic crimes, really, of trying to frame the  
21 President for something he didn't do.

22 STEPHANIE HAMILL: Yeah, well, Mayor,  
23 you're so right.

24 RUDY GIULIANI: It's outrageous.

25 STEPHANIE HAMILL: If President Trump

Page 8

1 said something so terrible, they would be playing  
2 that video on loop. We played his call at the  
3 Capitol multiple times on this show, where he  
4 said, march down to the Capitol patriotically and  
5 peacefully. He didn't say storm the Capitol. He  
6 didn't say break windows. He didn't say pass the  
7 police line.

8 The Republican Party is the party of  
9 law and order. President Trump has been for law  
10 and order. You're a law and order person as  
11 well. And so, yeah, of course we know for a fact  
12 that there were Trump supporters in that group,  
13 but you're talking about Antifa, possibly Black  
14 Lives Matter, who had infiltrated, maybe even  
15 organized. That aspect is being completely  
16 ignored by the mainstream media.

17 I'm curious to find out who else they  
18 arrest. I'd like to learn more about their  
19 backgrounds. You were talking about John  
20 Sullivan. He was arrested, definitely ties to  
21 Antifa and Black Lives Matter, according to  
22 reports. There's videos of it.

23 We're going to talk about that later in  
24 the show. But no one wants to talk about that.  
25 You know, they just want to try to smear all the

Page 9

1 Trump supporters. And you think about the people  
2 who committed crimes on January 6th. That was  
3 not the Trump supporters I know.

4 The Trump supporters I know are all  
5 about law and order. They're about following the  
6 rules, and they were there peacefully. I have  
7 friends that went to the rally, people that come  
8 on this show, who attended. And you know, they  
9 explain things much differently.

10 So it's very upsetting to see what has  
11 happened to the President in this whole  
12 impeachment scam. It really just shows how low  
13 the Democrats will go, and what they'll do. I  
14 mean, they're literally tearing this country  
15 apart and they don't care.

16 RUDY GIULIANI: Well, in fact, they've  
17 been doing that for quite some time. If we go  
18 back to four years ago, which you had on earlier  
19 about all the violence that took place at the  
20 Trump Inaugural, I mean, back then they were  
21 planning to impeach him.

22 They were planning to impeach him  
23 before he was even sworn in. And they were  
24 putting together a totally phony frame job that  
25 involved -- I mean, part of which was being

Page 10

1 planned in the Oval Office, with Obama and Biden,  
2 knowing that Hillary Clinton was actually going  
3 to use this collusion with the Russians to cover-  
4 up her -- to cover up her emails.

5 I mean, they had a letter from Brennan  
6 to Obama saying that. So going back four and a  
7 half years ago, the Democrats have been trying by  
8 illegal means to first keep Donald Trump out of  
9 the Presidency, and then to nullify his  
10 Presidency. And now they're trying to nullify  
11 him.

12 STEPHANIE HAMILL: Yeah. Mayor, we  
13 talked about the Russia collusion hoax. We've  
14 done interviews about it over the years, that the  
15 first impeachment, the first round of impeachment  
16 that the American people didn't like.

17 And you can just imagine how people  
18 feel today. If you go and ask regular ordinary  
19 Americans who are being told to stay in their  
20 homes and wear a mask and don't ask any  
21 questions, don't ask --

22 RUDY GIULIANI: Oh my.

23 STEPHANIE HAMILL: -- questions. Don't  
24 ask any questions about election fraud. I mean,  
25 this is devastating, where our politicians are

Page 11

1 focused on impeaching the President. Now there's  
2 obviously a discussion of the trial, which they  
3 would be targeting a private citizen at this  
4 point. It is just such a waste of time and such  
5 an insult to the American people.

6 RUDY GIULIANI: We're about to swear in  
7 a President for which there's a hard drive that  
8 demonstrates that for 30 years, his family has  
9 been selling his public office for millions and  
10 millions and millions of dollars. And we're  
11 impeaching Donald Trump?

12 It seems like there's something  
13 terribly corrupt about that. There's documentary  
14 evidence that Joe Biden and Joe Biden's family  
15 sold his office for well over millions of  
16 dollars, including to the Chinese Communist  
17 Party.

18 STEPHANIE HAMILL: Yeah.

19 RUDY GIULIANI: And we're impeaching  
20 Donald Trump? Something's very seriously wrong  
21 with our country. And not only that, the fact  
22 that I just said that would probably have me  
23 censored on most networks, which sounds like -- I  
24 mean, I was driving around Washington the other  
25 day hearing about all the censorship, and I

Page 12

1 thought I was in East Berlin.

2 STEPHANIE HAMILL: Yeah. Are you still  
3 on Twitter, by the way?

4 RUDY GIULIANI: By the skin of my  
5 teeth.

6 STEPHANIE HAMILL: Yeah. Everyone I  
7 know is like, left and right, they're getting  
8 banned.

9 RUDY GIULIANI: A couple of things off,  
10 a couple of things on. YouTube has taken down a  
11 -- YouTube actually took down a podcast in which  
12 I talked about censorship, not even about the  
13 election.

14 You can't even complain about their  
15 censorship. YouTube took me off for complaining  
16 about censorship, not the election. Should I say  
17 the election is stolen? Man, I think pretty soon  
18 there'll be capital punishment for that.

19 STEPHANIE HAMILL: Question. When it  
20 comes to election fraud, where are we with that?  
21 The still -- there's a lot of questions, no  
22 answers. And you know, people say, oh, well,  
23 there was no evidence. It's just a conspiracy  
24 and this and that and this and that.

25 But what about all the witnesses who

Page 13

1 signed affidavits? What about all the anomalies?  
2 What about the actual, you know, voter fraud that  
3 we did see. And you know, people say, oh well,  
4 you know, we don't really know how much that  
5 would affect the election. Is this just totally  
6 over? Are we turning the page on this or what's  
7 going on? What will happen next?

8 RUDY GIULIANI: I mean, they pretty  
9 much censored it while it was going on, so they  
10 would love to turn the page on it. I mean, I get  
11 banned from any of the big tech things when I say  
12 that not only was there voter fraud, I have  
13 evidence of it. I've seen it.

14 I have a motion picture of it. I can  
15 show you the voter fraud in living color. It was  
16 done in Fulton County, Georgia. It was well over  
17 30,000 ballots that were stolen. They were  
18 attributed to Biden instead of Trump. Had they  
19 been caught and held to account for it, Trump  
20 would've won Georgia.

21 I can show you similarly how he  
22 would've won Arizona, Pennsylvania, Wisconsin.  
23 And I say that and I'm, I don't know, a traitor,  
24 I guess. Well, I'm sorry. I can't lie just so  
25 that I can get my face on television, but that's

Page 14

1 the way it is now.

2 It's like living in a Communist  
3 country. If you don't say what the regime allows  
4 you to say, you must say that the regime was  
5 elected legitimately. Well, this particular  
6 citizen believes that it wasn't. Not only that,  
7 this particular citizen has evidence that it was  
8 elected illegally.

9 And not only that, I have the hard  
10 drive of the Bidens that proves that they're  
11 crooks for over 30 years. Right? It took  
12 millions and millions of dollars from Chinese  
13 Communists, from Russia, from Ukraine, from any  
14 place they can get their greedy fingers in.

15 Now I'm supposed to not say that in a  
16 democracy? That's what they do in China. They  
17 shut you up and they're investigating me.  
18 They're investigating me, and Biden took  
19 millions. They're impeaching Trump and Biden  
20 took millions for 30 years. Stephanie, what's  
21 wrong with us?

22 STEPHANIE HAMILL: Yeah.

23 RUDY GIULIANI: That's no longer a  
24 democracy. That's no longer a country of laws.

25 STEPHANIE HAMILL: And you talk about

Page 15

1 this censorship of asking questions about the  
2 election. And it's funny because on the left,  
3 they ask questions about President Trump's  
4 Presidency the entire time, and whether he, you  
5 know, was elected or if Putin got him elected and  
6 this and that.

7 And that was never censored. And also,  
8 there was never really any real apologies for  
9 getting it wrong. And those of us who had  
10 questions and didn't believe that President Trump  
11 was Putin's puppet, if you will, we were written  
12 off. We were called names. And no one ever  
13 apologized to us, either.

14 RUDY GIULIANI: No one's ever  
15 apologized to me for being right about Biden.  
16 I'm the one who put out the Biden hard drives,  
17 and now, they find out that it's all true. No  
18 one's ever apologized to me for all the things  
19 that have been said to me for the attempts to  
20 take away my law license, which they're still  
21 doing, for attempts to investigate me for crimes,  
22 for accusations of crimes that I didn't commit.

23 It turns out I was right about  
24 everything I said about Biden, and it's all on  
25 the Biden hard drive. By the way, I've kept a

Page 16

1 copy of it.

2 STEPHANIE HAMILL: Where is that hard  
3 drive? Who have you given the hard drive to?  
4 Obviously, I haven't seen the contents of it.

5 RUDY GIULIANI: I gave it to -- I gave  
6 it -- as you might recall, I gave a copy of it to  
7 The New York Post, and The New York Post  
8 published a good deal of it.

9 STEPHANIE HAMILL: Yeah, and then  
10 Twitter censored it to say they didn't want this  
11 story out before the election.

12 RUDY GIULIANI: I've given copies of it  
13 to the Delaware Police. The FBI has it. The FBI  
14 has what I have. But the FBI has done nothing  
15 with it, nothing. There are crimes in there that  
16 I could have -- there are crimes in there that  
17 would require immediate arrest.

18 For example, involving the morals of  
19 little children. There are crimes in there that  
20 would require immediate arrest, and they were  
21 ignored, because it's the Bidens.

22 STEPHANIE HAMILL: Yeah.

23 RUDY GIULIANI: The multi-millionaire  
24 Bidens, who became multi-millionaires while he  
25 was a Senator, that acquired five homes while he

Page 17

1 was a Senator. And whose son writes to his  
2 daughter for 30 years, I had to support the  
3 family and give half of what I earned to Pop.

4 STEPHANIE HAMILL: Yes, definitely  
5 questionable, that's for sure. Really quickly,  
6 Mayor, there's a bunch of reports here that say  
7 you will not be representing President Trump in  
8 the impeachment trial. Is that your decision?  
9 Is this even true? I mean, this is from ABC  
10 News, Business Insider --

11 RUDY GIULIANI: Well, I will not be  
12 able to participate in the trial in the Senate  
13 because I'll be a witness or a potential witness,  
14 and legal ethics require me not to. I'll be able  
15 to help in the background, but I will not be able  
16 to represent him either in court or in the  
17 chamber because I'm a potential witness.  
18 Remember, I gave one of the other three speeches  
19 that is also criticized.

20 STEPHANIE HAMILL: Yeah.

21 RUDY GIULIANI: And as a witness, I can  
22 certainly testify that no one at the rally got  
23 incited, not a single person got upset or excited  
24 at anything I said, the President said, Professor  
25 Eastman, the Congressmen. It was a very large,

Page 18

1 very -- and many, a strange way, a very happy  
2 crowd.

3 And there was no excitement in terms of  
4 any kind of incitement to violence by any of the  
5 things that are listed now. Like for example,  
6 when I said things that they say were inciteful,  
7 nobody even jumped up.

8 STEPHANIE HAMILL: Yeah. Are you  
9 talking about --

10 RUDY GIULIANI: I can show you they sat  
11 in their chairs and nicely applauded, but people  
12 didn't jump up going crazy. That's what  
13 incitement is.

14 STEPHANIE HAMILL: Yeah.

15 RUDY GIULIANI: This is a totally phony  
16 charge. It's a phony charge as against the  
17 President. It's a phony charge as against  
18 everyone else. That riot was caused by other  
19 people, including Antifa. And Antifa is being  
20 covered up.

21 There's a text showing 228 Antifa  
22 members, participating. And that text is being  
23 covered up.

24 STEPHANIE HAMILL: Yeah, I haven't seen  
25 it, but I -- like I said, I'd like to learn more

Page 19

1 about the backgrounds of those who were there.

2 RUDY GIULIANI: Stephanie, I'm going to  
3 send it to you. I'm going to send it to you.

4 STEPHANIE HAMILL: Send it to me. I'd  
5 love to see it. Mayor, we're totally out of  
6 time. I appreciate you coming on the program and  
7 I appreciate everything that you've done so far.  
8 Thank you so much.

9 RUDY GIULIANI: Well, I appreciate your  
10 coverage and (indiscernible).

11 STEPHANIE HAMILL: Coming up next,  
12 bracing for President-Elect Joe Biden's  
13 destructive plans for America.

14 Bracing for President-Elect Joe Biden's  
15 destructive plans for America, Biden's immediate  
16 executive actions include several Democrat pet  
17 projects, including climate, immigration, student  
18 debt and housing deadlines.

19 NEWSCASTER: The Biden Administration  
20 says it will hit the ground running with a slew  
21 of executive orders on day one. President-Elect  
22 Joe Biden's incoming Chief of Staff said in a  
23 memo to reports that Biden will cap a busy day of  
24 inauguration pageantry by using the powers of his  
25 new office to push policy changes on housing,

Page 20

1 student loans, climate change and immigration.

2 The executive actions to be taken on  
3 Wednesday include rejoining the Paris Climate  
4 Accords, reversing a travel ban on several  
5 majority Muslim countries, extending a pause on  
6 federal student loan payments, halting evictions  
7 and foreclosures, as well as mandating masks in  
8 interstate travel and on federal property. Most  
9 of the measures are a reversal of Trump policies,  
10 and do not require congressional action.

11 STEPHANIE HAMILL: In the meantime,  
12 Biden is looking toward the bastion of liberal  
13 lunacy for direction. The incoming President  
14 says he'll consider California as inspiration for  
15 setting his radical progressive poligy -- policy  
16 agenda.

17 However, there is hope when it comes to  
18 curtailing Biden's radical policy plans. An  
19 effort is underway by a newly elected Republican  
20 of Congress to file articles of impeachment  
21 against Biden on January 21st, just one day after  
22 his inauguration.

23 Joining me now, representing Georgia's  
24 14th Congressional District, Congresswoman  
25 Marjorie Taylor Greene. Congresswoman, thank you

Page 21

1 so much for joining me. I don't think I've had  
2 you on since you were sworn in, so  
3 congratulations on winning your election. That  
4 is really amazing.

5 And I remember how poorly the media  
6 treated you when you were running, so we were not  
7 mean to you on this show. I just want to point  
8 that out.

9 MARJORIE TAYLOR GREENE: No, you guys  
10 are great. So I very much appreciate it, and I'm  
11 glad to be back on. Thank you.

12 STEPHANIE HAMILL: Of course. So let's  
13 dive into this whole impeachment effort against  
14 Biden. I guess it is impeachment season, if you  
15 will, because that's what the democrats think,  
16 right? I mean, they -- this is the second time  
17 around that they've impeached President Trump.

18 Now it sounds like the trial will go on  
19 and it will be against a private citizen, not the  
20 President of the United States.

21 MARJORIE TAYLOR GREENE: That's right.  
22 Impeachment season is quite the term to use,  
23 after a witch hunt with Russian collusion  
24 conspiracy that we saw the Democrats just carry  
25 on when they went after Trump and impeached him

Page 22

1 the first time.

2 Even though the FBI had knowledge as  
3 early as 2017 that the whole thing was a scam and  
4 it was a lie, the Democrats moved forward with it  
5 anyways. And then, Nancy Pelosi, the Speaker of  
6 the House, moved the bar of impeachment, lowered  
7 it down to the basement level, when she led the  
8 effort last week to impeach the President with no  
9 trial, no evidence, no witnesses saying that he  
10 had done anything to incite the violence at the  
11 Capitol that we have all condemned.

12 As a matter of fact, he asked his  
13 supporters to march peacefully and patriotically  
14 to the Capitol. But that's Nancy Pelosi. This  
15 is the radical left and this is who the Democrats  
16 are. They don't care about the rules and they  
17 don't care about the truth.

18 But the America does need to know the  
19 truth about Joe Biden. He definitely abused his  
20 -- abused power when he was Vice President of the  
21 United States, even on record, on video saying  
22 that he would withhold a billion dollars of  
23 foreign aid, just so that his son, Hunter Biden,  
24 could definitely pull those deals with Burisma  
25 and Ukrainian energy scams.

Page 23

1           And then we know there's an ongoing  
2 investigation into Hunter Biden's laptop and  
3 Chinese energy companies. So it seems to be the  
4 Biden crime family has basically an affection for  
5 energy companies, abusing power in their  
6 positions and making themselves rich beyond their  
7 wildest dreams.

8           The American people can't afford to  
9 have a President who is willing to dangle out his  
10 very powerful position of President of the United  
11 States just to cover up his son's business plans  
12 and partnerships and who he does business with,  
13 and then also help out these companies with the  
14 United States and the taxpayers and who we are a  
15 as a nation. So this needs to be brought out,  
16 and I'm very happy to be the one to do it.

17           STEPHANIE HAMILL: Yeah, well, it's  
18 interesting we just had former New York City  
19 Mayor Rudy Giuliani on before you, and he was  
20 talking about the Biden family, the alleged  
21 corruption, the emails and everything that he  
22 has, the hard drive that he has.

23           And he was talking about how there's  
24 really been like a lot of pushback or like, not  
25 really much done with all the evidence that he's

Page 24

1 presented. So you could tell he's very  
2 frustrated that there's no action, yet the  
3 Democrats are quick to take action against  
4 President Trump over things that he didn't even  
5 say or tell people to do.

6 I watched the video of him at the  
7 rally, where he told people to patriotically and  
8 peacefully march down to the Capitol, never told  
9 anyone to commit crimes. I didn't see that he  
10 was inciting violence. But we've seen the  
11 Democrats pull these scams over all these years.

12 They wanted to impeach President Trump  
13 since the first day he took office, and  
14 obviously, the whole Russia collusion hoax and  
15 the spying on the incoming administration. All  
16 of that is forgotten.

17 And so, it's really just such a downer  
18 for our country. The Democrats continue to  
19 divide us. And so, you bring out points of why  
20 the Biden family should be looked into. We've  
21 read the emails. We've read the reports written  
22 by The New York Post.

23 And what's really bizarre is how social  
24 media censored these stories. Like we're not  
25 even allowed to learn about it, but they say, oh,

Page 25

1 well, you can't spread misinformation and this  
2 and that. But they spread misinformation about  
3 President Trump and Republicans all day long, and  
4 no one stops them from doing that.

5 So the fact that they don't even want  
6 us to have any sort of conversation about the  
7 laptop from hell or questions about, you know,  
8 voter fraud in the November 3rd election, that  
9 really bothers me.

10 MARJORIE TAYLOR GREENE: It should  
11 bother you. And you're absolutely right. And  
12 everything you just stated is exactly how 75  
13 million Americans feel that voted for President  
14 Trump.

15 President Trump continues to retain the  
16 loyalty of the high majority of Republican  
17 voters, and that's something every single elected  
18 Republican should remember. And here's what's  
19 important to me, and I've said this all along.

20 It's people over politicians, not the  
21 other way around, because it's the people of this  
22 country that matter. And so, I completely share  
23 your sentiment. This is the whole reason I ran  
24 for Congress is because I was sick and tired and  
25 fed up with the corruption and tired of nothing

Page 26

1 ever happening and nothing being done.

2 And so, you know, I'm happy to go  
3 forward and push this out front and center, try  
4 to expose it as much as possible. Even though  
5 we're in the minority, I really don't care. I'm  
6 happy for people to be citizen sponsors of these  
7 articles of impeachment, and that's something  
8 that I'm asking everyone to do.

9 They can text impeach to 55444 and  
10 become a citizen co-sponsor and be a part of this  
11 big effort. And then another thing is, let's let  
12 them never forget it, that no matter how much  
13 they censor us on social media, no matter how  
14 much they tell us that we should be canceled and  
15 we don't matter, our free speech does matter, so  
16 do our voices, so do our opinions and so does our  
17 future.

18 And freedom is definitely worth always  
19 standing up for. And so, I'm just proud of all  
20 Americans, and those are the people I work for,  
21 regardless of whether they're in my district or  
22 another state, I'll always be doing that as long  
23 as I'm proudly serving in Congress.

24 STEPHANIE HAMILL: Yeah. I want to get  
25 your reaction to the 10 Republicans that voted to

Page 27

1       impeach President Trump. I think that we've  
2       learned a lot from this second round of  
3       impeachment, specifically when it comes to who  
4       needs to be primary the next time around.

5                 And also, it's just like kind of like a  
6       disappointment. I'm wondering, how are some of  
7       these more like, establishment Republicans that  
8       have been there forever, how are they treating  
9       you, too, by the way?

10                MARJORIE TAYLOR GREENE: Well, they  
11       don't like me very much. I mean, Adam Kinzinger  
12       is not a fan of mine. You know, and Liz Cheney  
13       unfortunately, our Chairwoman for our Republican  
14       House Conference, stepped right out there and  
15       voted for impeachment.

16                Not a wise move. I've called for her  
17       to step down and resign from her position because  
18       she certainly doesn't represent our conference.  
19       Most -- almost all of us, other than these 10  
20       House members voted against impeachment of  
21       President Trump.

22                And then, you know, they should be  
23       paying attention to the polls. They should be  
24       paying attention to Republican voters and not the  
25       Democrats and the fake news media, the radical

Page 28

1 activists like on CNN that are singing their  
2 praises.

3 They're listening to the wrong chorus  
4 of groups that are just so happy with them for  
5 their defying votes of impeachment, for a lie.  
6 They voted for a lie.

7 STEPHANIE HAMILL: Yes.

8 MARJORIE TAYLOR GREENE: So I think  
9 they exposed exactly who they are.

10 STEPHANIE HAMILL: Yeah, it's pretty  
11 obvious. And it's funny because I've asked some  
12 of those who like, support the -- supported the  
13 impeachment effort. I'm like, so what exactly  
14 did Trump say or what did he do? They're like,  
15 oh, well, Rudy said combat by trial or something?

16 I'm like, what does Giuliani's comments  
17 have to do with President Trump? Like you can't  
18 impeach somebody --

19 MARJORIE TAYLOR GREENE: Yeah.

20 STEPHANIE HAMILL: -- over somebody  
21 else's comments. And you know, they really have  
22 no reason. It's just like, they don't like  
23 Trump.

24 MARJORIE TAYLOR GREENE: No.

25 STEPHANIE HAMILL: And they wanted to

Page 29

1 make a political point. And they wanted to  
2 retaliate against him. This was all about  
3 revenge, and that's pretty clear. Congresswoman,  
4 we're almost out of time, but I want you really  
5 quickly just to describe the atmosphere at the  
6 Capitol right now.

7 I attended the inauguration back in  
8 2017, and I also went to the Inaugural Ball. And  
9 I remember the security and how they shut down  
10 the streets. Like that's pretty normal. But  
11 this is like, unprecedented. I've never seen so  
12 much security. And I've lived in DC for almost  
13 three years, so I just can't even imagine what  
14 it's like out there right now.

15 MARJORIE TAYLOR GREENE: Well, I can  
16 tell you what, I don't know because I am happily  
17 in Georgia and I will not be there at the Capitol  
18 for this inauguration. You know, Joe Biden, he  
19 ran his campaign from the basement.

20 This is a virtual inauguration, so it's  
21 pretty shocking to me that our taxpayers are  
22 having to spend so much money to have 25,000  
23 wonderful members, men and women, of our military  
24 there, creating such a presence.

25 You know, I'm completely against what

Page 30

1 happened at the Capitol on January 6th, but for a  
2 virtual inauguration, this is quite a show of  
3 military presence. So I won't be there on the  
4 20th. I see no need to be, to play a part in  
5 that.

6 And I'll have to be there the 21st,  
7 though. So I'll definitely be up there, then,  
8 and I really hope everyone's safe and I'm  
9 grateful for our military, but it's pretty  
10 interesting for a virtual inauguration.

11 STEPHANIE HAMILL: Yeah, well, I don't  
12 blame you. It's going to be total chaos there,  
13 so I think wise choice to stay home. Well,  
14 Congresswoman, we're going to leave it here.  
15 Thank you so much.

16 MARJORIE TAYLOR GREENE: Thank you.  
17 See you --

18 STEPHANIE HAMILL: Thank you. Coming  
19 up next, delving into the background of a Black  
20 Lives Matter activist, who recorded the recent  
21 Capitol building riots as In Focus continues.

22 We're learning more details about a  
23 Black Lives Matter activist who recorded the  
24 recent Capitol Building riots. The former  
25 Olympic hopeful turned activist is now awaiting

Page 31

1 trial for his actions.

2 NEWSCASTER: Intense video of the US  
3 Capitol riot filmed by John Sullivan is not the  
4 only video posted to his company's YouTube page.

5 JOHN SULLIVAN: (indiscernible).

6 NEWSCASTER: The speed skater on the  
7 left, is the young activist. Sullivan was  
8 working towards the Olympics. The athlete had  
9 raised nearly \$3,000 for Pyeong Chang. Arrested  
10 after organizing the (indiscernible) protests in  
11 July of 2020, Sullivan continued posting about  
12 organized protests on the Instagram page for his  
13 company, Insurgence.

14 A company Sullivan dedicated to ending  
15 police brutality and unifying the nation.  
16 Sullivan will be tried in Washington DC. And his  
17 next virtual appearance is January 22nd. Until  
18 then, he is essentially on house arrest.

19 STEPHANIE HAMILL: Stories like this  
20 are just further proof that not all who  
21 participate in the Capitol mob violence were  
22 Trump supporters. But stories like this will  
23 barely get any airtime from the mainstream media.  
24 It just doesn't fit their narrative about what  
25 happened in DC about two weeks ago.

Page 32

1           Joining me now from Scottsdale,  
2 Arizona, former Police Officer and Founder of  
3 TatumReport.com, Brandon Tatum. Brandon, it's  
4 great to see you. Brandon, I haven't really  
5 heard much about John Sullivan. Obviously, we  
6 played a little clip from the local news, but  
7 CNN, MSNBC, they're awfully like, very, very,  
8 very quiet about it.

9           And I get it, yeah, there -- Trump  
10 supporters were there. That's a fact. It was  
11 Trump supporters stormed the Capitol there,  
12 committed acts of violence. But yeah, I have a  
13 lot of questions about the backgrounds of some of  
14 the people that haven't been caught yet, and some  
15 of the others. I want to know more about them  
16 and who they supported and I want to know more  
17 about this John Sullivan character. And also,  
18 did you know he was released from jail? Like why  
19 is he out before the inauguration?

20           BRANDON TATUM: It is very interesting,  
21 that. It doesn't fit their narrative. Two  
22 narratives that they want to paint the picture  
23 of, when it comes to the Capitol, and that's that  
24 it's a bunch of white people who are racist  
25 destroying the Capitol and there's a double

Page 33

1 standard.

2 When you add Mr. Sullivan in the mix,  
3 what's the double standard? He's a black man.  
4 He didn't get unjustifiably shot or anything like  
5 that at the Capitol. And also, he was a part of  
6 the actions that occurred that day.

7 So they don't want to talk about it  
8 because they have a black man who's probably a  
9 Democrat who's a BLM supporter, and he's the one  
10 -- one of the main characters involved in this.  
11 So it's not just an insurgency of white America.

12 You know, there's a lot of other  
13 components here that they don't want to talk  
14 about, which is a shame.

15 STEPHANIE HAMILL: Yeah, and I'm sure  
16 you've obviously noticed the coverage of how some  
17 of the media have treated those who committed  
18 crimes on January 6th, versus those who  
19 participated in Black Lives Matter and Antifa  
20 riots throughout the summer and the spring and  
21 like, the past year, in the past four years.

22 It's rather interesting, and again,  
23 we're for law and order. We've talked about it  
24 on our show. We've condemned violence. We  
25 condemn it all around. I know that you don't

Page 34

1 support what happened on January 6th at the  
2 Capitol.

3 But it's really -- it's interesting,  
4 those who promoted it or said it was like, for a  
5 good cause and stuff, I mean, they're totally  
6 outraged. And these are the same people that  
7 have been, again, kind of like, giving it a pass  
8 or seem to be okay with violence, as long as it  
9 supports their causes that they like.

10 BRANDON TATUM: Yeah, so the way I look  
11 at it, as a former police officer is that there's  
12 a thing called unnecessary violence, and then  
13 there's necessary violence. You know, when you  
14 have people who are threatening your life, then  
15 you can act in violence to protect yourself.

16 And I'm not going to come out and say  
17 specifically that I'm totally talking trash about  
18 people who were at the Capitol. I wouldn't have  
19 done it. But based on the things that I've seen  
20 happen in this country, I don't -- I can see how  
21 people can be upset enough to go into the place  
22 of the -- or origin of the issue.

23 You know, you have -- and I don't want  
24 to say a lot of it, because they'll ban you guys.  
25 But there has been issues in this election. We

Page 35

1 all know about it. And you are telling the  
2 American people that there's been things that  
3 have happened in this election that could've  
4 silenced their vote, silenced their  
5 constitutional rights, people that have fought  
6 for this country.

7 You -- of course, they're going to be  
8 upset. And I think that if people want to -- if  
9 the government wants to prepare for what's going  
10 to happen on the 20th, I think that they should  
11 do so because there is a lot of people that are  
12 incredibly mad at the lack of what the government  
13 has done to protect the vote and to protect the  
14 American people.

15 So I'm not going to come out and say  
16 I'm just totally against it. I wouldn't have  
17 done it, but I understand how people can be upset  
18 enough to want to go to the Capitol Hill and  
19 storm the Capitol.

20 STEPHANIE HAMILL: Yeah, so wait.  
21 You're not against like, the people storming the  
22 Capitol? Wait, say that again? I just want to  
23 make sure I have that clear.

24 BRANDON TATUM: Yeah, I'm not going to  
25 come out and condemn anybody at the Capitol. I'm

Page 36

1 not going to do it. I don't -- I'm not -- I  
2 wouldn't go to the Capitol, but I understand how  
3 people can be upset, when all -- ever since the  
4 election, we've been talking about the fact that  
5 we've seen the (indiscernible) machines and all  
6 of these different things occur.

7 And you expect the American people to  
8 just sit on their hands and do nothing, to just  
9 talk on social media, to just run their mouth and  
10 be feckless? There are people that are going to  
11 act out.

12 If you are sitting at Capitol Hill and  
13 you're going to vote in a way in which  
14 disenfranchised half of the country, people are  
15 going to be upset. So what I'm saying here, in  
16 front of the world, is that I'm not going to come  
17 out and condemn these people because some of  
18 those people were righteously upset.

19 And I think those things are going to  
20 happen in this country, if you don't do an  
21 investigation and secure it and make sure that  
22 people's votes are being counted properly.

23 STEPHANIE HAMILL: Yeah. So there was  
24 reports that the FBI and NYPD, they tipped off  
25 the DC Police to let them know that there was

Page 37

1 potential for violence and chaos on January 6th.  
2 Do you think that law enforcement was prepared  
3 for this?

4 I mean, I don't believe you were  
5 actually -- you weren't there, right? You didn't  
6 attend the rally?

7 BRANDON TATUM: No. No. I --

8 STEPHANIE HAMILL: Do you think they  
9 were properly prepared? Obviously not, because  
10 people were able to break through.

11 BRANDON TATUM: Well, it's up for  
12 question. I mean, we don't know what the heck  
13 happened. You know, I mean, anybody with a  
14 brainstem that's a leader in DC knew that people  
15 were going to act a fool at the Capitol on the  
16 6th, because of the controversial-ran election.

17 I mean, I've been to DC several times.  
18 They block off square miles of different places  
19 so people can't even go into certain areas, if  
20 it's going to be a threat. How in the world will  
21 they let people go to the Capitol and stand in  
22 front of the Capitol and potentially breach the  
23 Capitol with no security?

24 They were letting people in, in certain  
25 cases. People are just waltzing in, giving high

Page 38

1 fives. Some of the Capitol Police were  
2 celebrating some of these people, taking selfies.  
3 We don't know what happened.

4 I don't know who's responsible. I  
5 don't know who's an insurgent and who was just in  
6 there taking selfies being in the Capitol  
7 Building. We have people that are associated  
8 with Black Lives Matter who were leading the  
9 charge.

10 We have people who were Antifa who were  
11 knocking out windows. We also have Trump  
12 supporters. But then, we also see pictures of  
13 people just getting let into the building with no  
14 resistance.

15 And so, I think that we need to take a  
16 closer look at what's going on here surrounding  
17 the Capitol, and why are people so anxious to  
18 come out and just condemn everything without  
19 knowing what's going on? And why are Democrats  
20 taking the lead and making a big fuss about it?

21 Because it's politically correct on  
22 their end. They said nothing in the summer, when  
23 people were burning down businesses and killing  
24 people. Black people were dying in these  
25 protests in the summer for police brutality, and

Page 39

1 nobody cared, nobody said nothing.

2 Democrats turned a blind eye. They act  
3 like they were Stevie Wonder and couldn't see  
4 none of this stuff that was going in, but all of  
5 a sudden, some white folks go into the Capitol  
6 Building because of the attacks on our democracy,  
7 and nobody was injured -- not injured, but  
8 killed.

9 You have one police officer that may  
10 have been killed based on some chemical component  
11 that happened to him. Later on, he died at the  
12 hospital. You had another person commit suicide  
13 that they attached to the Capitol Building. One  
14 lady lost her life. She was shot in the neck. I  
15 think that's controversial and they should  
16 investigate it.

17 STEPHANIE HAMILL: Yeah.

18 BRANDON TATUM: But how many deaths  
19 have happened in the summer? How many deaths  
20 were related to Black Lives Matter? They didn't  
21 care. Nobody said anything.

22 STEPHANIE HAMILL: Yeah --

23 BRANDON TATUM: And I think the double  
24 standard is sickening.

25 STEPHANIE HAMILL: I believe over two

Page 40

1       dozen minorities were killed during these  
2       Antifa/Black Lives Matter, and then think of all  
3       of the minority owned businesses that were  
4       destroyed. And people get mad when you like,  
5       compare the two.

6                 And like, obviously they're different  
7       situations, but there are a lot of similarities.  
8       And those who were quiet about Black Lives Matter  
9       and Antifa, it just shows how hypocritical they  
10      are.

11                And yeah, there's a lot of things that  
12      we still need to learn about what happened on  
13      January 6. We're very curious about it. I'm for  
14      law and order. I don't like seeing people commit  
15      crimes. I don't like what I saw at the Capitol.  
16      I'm totally against that.

17                But that being said, yeah, I want to  
18      know more. We should investigate it. But yeah,  
19      there are certain people that jumped onto this  
20      narrative, that accused President Trump of  
21      inciting violence, when he didn't.

22                He said peacefully and patriotically,  
23      march down to the Capitol, have your voices  
24      heard, be seen. And 99.9999 percent of the  
25      people who were there in support of President

Page 41

1 Trump were there peaceful. And you know, they  
2 don't associate with those who stormed the  
3 Capitol.

4 They say, you know, that was not my  
5 group. That's not what I was there for.  
6 President Trump didn't incite violence. You can  
7 go back, listen to his speech over and over  
8 again. And so, at the end of the day, we have a  
9 President that was impeached for the second time.

10 The Democrats take impeachment so  
11 lightly, like it's just another day, another  
12 impeachment. And it's just -- it's actual wild  
13 times. So anyways, we are preparing to see  
14 what's going to happen on Inauguration Day.

15 We saw in 2017, the violence that took  
16 place. I went to the Inauguration, went to the  
17 Inaugural Ball, saw the violence. You know, the  
18 Left was very quiet about condemning what  
19 happened. So we'll see. Hopefully, that  
20 security will be prepared. I don't want to say  
21 anything terrible happened, but we'll just have  
22 to wait and see. Brandon, thank you so much.

23 BRANDON TATUM: Thanks for having me.

24 STEPHANIE HAMILL: Coming up next, more  
25 migrant caravans US-bound. The question is now,

Page 42

1 what will team Biden do? Will he welcome them  
2 with open arms?

3 A Honduran migrant caravan headed to  
4 the US border over the weekend found themselves  
5 hit with teargas and batons by police, when they  
6 got to Guatemala. We've seen similar instances  
7 of cracking down on border security while  
8 President Trump has been in office. But what's  
9 going to happen when Biden takes over?

10 I'd like to think our country will  
11 still work to strengthen our border, but a Biden  
12 administration will likely just undue all of the  
13 hard work President Trump has done. Joining me  
14 now from Florida, US Air Force veteran and former  
15 congressional candidate for Florida's 13th  
16 District, Anna Paulina Luna.

17 Anna, thank you so much for joining us.  
18 Anna, we saw these videos just a few years ago,  
19 when migrants were storming the border, trying to  
20 get through Guatemala, trying to get through  
21 Mexico. President Trump was pretty firm on his  
22 stance.

23 He says, you know what? We send all of  
24 these countries hundreds of millions of dollars  
25 of aid every single year. We need you to do your

Page 43

1 part. If you're just letting everyone through  
2 the borders, that's a problem for us. Not only  
3 is it a problem for our country, but it's a  
4 humanitarian crisis that builds up at the border?

5 ANNA PAULINA LUNA: Absolutely. In  
6 fact, you know, a lot of people forget that the  
7 Biden and -- well, Obama/Biden administration  
8 actually had the same policies that President  
9 Trump did, right, on border security.

10 So the fact is, is I do believe these  
11 caravans are well aware of the fact that the  
12 Biden/Harris administration advertised  
13 essentially to the world that they wanted to  
14 legalize all illegal immigrants, and that's the  
15 reason why they're now pushing to come back to  
16 the US Mexico border.

17 Now I'm hoping, like you said, that  
18 Guatemala and these countries in between will  
19 realize that, you know, that agreement that they  
20 had with the American people under the Trump  
21 Administration still holds true.

22 But I am also hoping that you know,  
23 just like Biden did back in 2016 and previously,  
24 that they will hold true to knowing that illegal  
25 immigration hurts people on both sides, and

Page 44

1 ultimately we will not have a nation, if we do  
2 not have secure borders. And it's an issue of  
3 national security as well.

4 STEPHANIE HAMILL: Yeah, and you think  
5 about it, I'd spoke to officials from Guatemala,  
6 and they're concerned about how many people are  
7 fleeing their country. They want to fix their  
8 own problems. They can't fix their problems when  
9 people are just fleeing.

10 Of course, people have the right to go  
11 where they want to go, but they have to do it in  
12 a legal process, if you will. And of course,  
13 we're talking about people and women and children  
14 and etc. So we do have compassion for people,  
15 but we have to have compassion for Americans.

16 And think about the time right now,  
17 where we're in the middle of a pandemic. People  
18 are out of work. Businesses are shut down. So  
19 you know, what type of crisis would this cause,  
20 if there isn't even any work to give those who  
21 are trying to come here?

22 ANNA PAULINA LUNA: I mean, it's  
23 definitely going to cause economic stress on the  
24 American people. But also, too, I mean, there  
25 are so many people waiting here to legally come

Page 45

1 here. And it really is a slap in the face to  
2 everyone who is spending that money to come to  
3 this country.

4 We already have our immigration courts  
5 that are bogged down. We already have an issue  
6 with balancing our national budget, and it's only  
7 going to continue to make that worse, not to  
8 mention, people that are coming here illegally  
9 and knowing what they're going to be going  
10 through in the process, it's very dangerous.

11 So there's nothing humanitarian about  
12 saying that you want to totally legalize illegal  
13 immigration. And also, in addition to that, it's  
14 very important to note that just because you want  
15 legal borders and a legal immigration process  
16 does not make you racist.

17 And that's been something that the  
18 mainstream media has really branded. I think  
19 Republicans on, because we have taken such a  
20 strong stance on illegal immigration, but it's  
21 simply the farthest thing from that. And I say  
22 that as a Hispanic-American woman, and I'm sure  
23 you agree, Stephanie.

24 STEPHANIE HAMILL: Yeah, we're told  
25 over and over again, those who aren't for open

Page 46

1 borders, "you're racist." And we're both Latinas  
2 and we get it. It's not a race thing. And you  
3 hear the Democrats say, "Oh, they don't want  
4 brown people in the country." It's like, no.  
5 Like, we want secure borders for many reasons.

6 They know borders. In fact, actually  
7 in the COVID-19 relief package, they were putting  
8 in money to give other countries money for border  
9 security. And then you think about what's going  
10 on at the Capitol right now. They got a lot of  
11 walls up and fences up. That seems to work for  
12 them, but they don't want it for our border  
13 communities.

14 And I lived in Arizona growing up. I  
15 know what it's like, and there's a lot of  
16 Latinos, Hispanics at the border, and they  
17 appreciate the border security. And I wanted to  
18 touch on something that you brought up, which was  
19 how there are many similar policies still in  
20 place that were around during the Obama/Biden  
21 Administration, if you will.

22 And I remember like all the outrage  
23 over like, the kids in cages. And I remember  
24 being in the newsroom at the Daily Caller.  
25 Here's a picture. I don't know if you guys can

Page 47

1 see it. It's kids in cages here.

2 This picture was from the Obama  
3 Administration, so they were trying to pretend  
4 that that was happening during the Trump  
5 Administration.

6 And it was just so unfair, and I talked  
7 to a lot of border patrol agents who were telling  
8 me that, you know, for them to suggest that  
9 they're putting people in like, terrible like,  
10 concentration like camp situations, it's very  
11 unfair and it paints them in a bad light, like  
12 they're using the resources that they have and  
13 they're trying to treat people humanely.

14 And so, yeah, I think that we're going  
15 to see a lot going on at the border because the  
16 Biden/Harris Administration will continue to send  
17 signals like, "Oh, it's okay to come here, and  
18 like, we're going to give you full amnesty and  
19 whatever you want."

20 And then, you ask these people that are  
21 like, pro open border, they never give you a  
22 number of like, when is enough enough? Like they  
23 just have no number, so it's just a free for all,  
24 anyone can come here. And that's just not how we  
25 can run the country.

Page 48

1                   ANNA PAULINA LUNA: Absolutely not. In  
2 fact, I think the number for actual illegal  
3 immigrants in this country is close to 22  
4 million. And in addition to that, you know,  
5 people talk about separating children. In fact,  
6 that was actually a large smear campaign against  
7 the Trump Administration, starting in 2016.

8                   And I will still stand and hold firm to  
9 this belief that I would rather have a child  
10 separated from someone claiming to be their  
11 biological family member to ensure that that is  
12 actually their family member than put them in the  
13 hands of someone that would be trafficking them.

14                  And that's going to continue to be an  
15 issue until we can lock down our border security  
16 here in the United States.

17                  STEPHANIE HAMILL: Absolutely. All  
18 good points. Thank you so much.

19                  ANNA PAULINA LUNA: Thank you.

20                  STEPHANIE HAMILL: Coming up next,  
21 growing concerns over censoring conservative  
22 speech could possibly affect this very program.  
23 Details as In Focus continues.

24                  The media censorship of GOP voices just  
25 keeps on coming. A former Facebook official

Page 49

1 recently suggested on national television that  
2 companies like Verizon and AT&T should stop  
3 showing channels like OANN and others that aren't  
4 part of the liberal echo chamber, if you will.

5 And keep in mind that this guest said  
6 this on CNN, a channel that would directly  
7 benefit from our platform being limited.

8 BRIAN STELTER: -- have to turn down  
9 the capability of these conservative influences  
10 to reach these huge audiences. And then, we're  
11 going to have to figure out the OANN and Newsmax  
12 problem.

13 You know, these companies have freedom  
14 of speech, but I'm not sure we need Verizon,  
15 AT&T, Comcast and such to be bringing them into  
16 tens of millions of homes.

17 STEPHANIE HAMILL: Not really a shocker  
18 that this was coming from someone who used to  
19 work for Facebook. Social media banning  
20 President Trump from their platforms and working  
21 to silence Conservative voices in general is just  
22 the tip of the iceberg.

23 It only makes sense that the next step  
24 would be to ban Right leaning cable channels and  
25 news outlets as well. If they could, they would.

Page 50

1 Joining me now from Washington DC, contributing  
2 editor to Newsweek, Peter Roth. Peter, thank you  
3 for joining me.

4 Peter, I don't know if I could like,  
5 make that serious face that Brian Stelter was  
6 making during the show. It's like, he gets like,  
7 one eyeball like, all the way down, another one  
8 really up. He looks very, very concerned that  
9 networks like OANN have a platform because only  
10 they're allowed to have a platform.

11 I'm trying to think like, how many  
12 stories I've gotten wrong in the past few years?  
13 Like none. I haven't been called out because I  
14 haven't gotten anything wrong. In the meantime,  
15 over at CNN, they get it wrong all the time,  
16 24/7.

17 They're spreading misinformation. And  
18 so, it's just really astounding that a network  
19 would cheer on the idea of limiting speech for  
20 another network. I would never do that, despite  
21 how much I despise CNN and MSNBC and some of the  
22 others.

23 PETER ROFF: Well, Stephanie, it's nice  
24 to be with you while I still can.

25 STEPHANIE HAMILL: Yeah.

Page 51

1                   PETER ROFF: There are a number of  
2 problems wrong with the argument that's being  
3 made. And one of them has to do with restraint  
4 of trade, because what people aren't noticing is  
5 the platform providers are also the owners of the  
6 platforms of which he approves.

7                   And so, for them to keep other channels  
8 off, I think would be black-lettered law monopoly  
9 behavior in restraint of trade, and so, they've  
10 have an economic problem. They'd have a legal  
11 problem as well as a First Amendment problem, if  
12 they tried to do that.

13                  STEPHANIE HAMILL: Yeah. Peter, how  
14 concerned are you about censorship and where the  
15 media's going in general. I mean, you've worked  
16 in news forever. And I really appreciate your  
17 work. I'm a fan of it. And I think you're a  
18 very honest person. So where do you think this  
19 is going?

20                  PETER ROFF: Forever, thank you.

21                  STEPHANIE HAMILL: Since forever.

22                  PETER ROFF: Yeah, yeah, thank you.  
23 Forever. Yes, I appreciate that. Just -- look,  
24 I'm actually very concerned because for the first  
25 time, I'm hearing journalists talk about the need

Page 52

1 to censor people, people who are prominent  
2 people, prominent publications, the media  
3 columnists at The New York Times now and his  
4 predecessor talking about any standards of  
5 fairness being thrown out the window, the need to  
6 tell both sides goes away.

7 Political authoritarianism and its  
8 cousin, intellectual conformity are raising their  
9 ugly head among progressives. And you know, for  
10 years, there's been an effort to ensure  
11 diversification in the media, which I fully  
12 support, except its diversification in everything  
13 but what's up here. And that's really what  
14 counts.

15 Diversity of thought. Diversity of  
16 experience. And so, it doesn't matter what  
17 people look like as long as they're all saying  
18 the same things. And I'm hearing journalists say  
19 that now.

20 And that frightens me greatly. I'd  
21 like to think I'm not an alarmist, but you know,  
22 fortunately, Newsweek is very open to differing  
23 points of view. Our opinion page, where I work,  
24 is very robust, features everyone from Robert  
25 Reich to Newt Gingrich to me. Strong diversity

Page 53

1 there.

2 Other places, not so much. And so,  
3 when I hear journalists talk about censorship in  
4 anything but any kind of an affirmative way, I  
5 get frightened.

6 STEPHANIE HAMILL: Yeah. And I read  
7 some articles, too, and I've seen some of these  
8 stories pop up here and there, that there's been  
9 somewhat of a revolt in some of the newsrooms.  
10 And that is, you think of like, the old school  
11 journalists and honest journalists that are out  
12 there that try to deliver fair and balanced  
13 stories.

14 And at some of their workplaces,  
15 they're not able to do that. And so, again, it's  
16 a really disturbing trend that we're seeing. And  
17 hopefully, there'll be some sort of reversal.  
18 We'll have to wait and see. But Peter, we're out  
19 of time. Thank you.

20 PETER ROFF: Thanks, Stephanie.

21 STEPHANIE HAMILL: Of course. Well,  
22 that's it. That's all I have for you. I'm  
23 Stephanie Hamill. Thank you for watching and  
24 I'll see you tomorrow.
